It was written and produced by Captain Harry Lambart, and is thoroughly correct as to military detail. It is the story of the love of two fellows, members of the same company for the same girl. The outcome of such a complicated state of affairs is best told in the fine pictures today. Arthur Johnson appears in The Girl from the West, the next in the series in which he is starring entitled Bein which he is starring, entitled Be-loved Adventurer There is no delin-eator of the aristocratic English type which Mr. Johnson has created, that can even compare with him in this can even compare with him in this part, to which he is so well suited, in every respect. "A PAIR OF SIXES"

At Davis Theatre Tonight,

Probably one of the most important events of the local theatrical season will be the presentation at the Davis theatre tonight of H. H. Frazee's A Pair of Sixes. New York has unanimously declared that to be "the funniest farce in the world." The farce is by Edward Peple, who has already contributed such successes as The Prince Chap, and The Littlest Rebel. The chief motive of A Pair of Sixes concerns the ingenious scheme of a

young woman, who figuratively shows how a queen of hearts is better than a pair of sixes. All of which devel-ops after two young men, partners in business, unable to agree as to their respective importance to the firm, decide to separate-commercially. lawyer for the firm is called in and he finds the condition aggravated to the point where no amicable agreement can be made, so be proposes a hand of shown-down poker. The winner shall be known as the master and operate the business for one year, unmolested by the other, who is, however, to be credited with his share of the profits. The loser is to be known as the "man" and serve the "master" in the capacity of servant for one year. They

capacity of servant for one year. They agree on the scheme and its details, the lawyer puts it in legal form and when the hand is dealt a pair of sixes proves to be high. From this premise, the complications develop new and laughable situations for the ensuing two acts, in which the wife of one partner and the flances of the other take a hand in the affair, which, eventually, becomes more hopelessly inually, becomes more hopelessly in-volved by the office stenographer. As an added feature to the coterie of seemingly endless complications, the English housemaid becomes innocent-ly entangled in an affair with the "servant" partner, and the family fin-ally evolves into a divorce mill. To unravel these complicated mixtures, "servant" partner, and the family the young woman of the plot surprises the lawyer at his own game and re-establishes the young men in their of-

fice. Mr. Frazee has cast A Pair of Sixes presentation will appear such well known players as Paul Nicholson, Mil-dred Booth, Angie Norton, Curtis Benton, Marta Oatman and others, Prices 25c to \$1.50. Seats on sale now.

Professor Emery has promised to indulge in some prophesying as to what will probably be the ultimate outcome of the present con-

Thomaston. Conn., Nov. 26.—Edward Benson, aged 7 years, was drowned in the Naugatuck river here today, and his brother, Ernest, 5 years old, barely escaped a like fate when they ventured out on thin ice which coated a part of the stream.

The boys, with their mother, Mrs. Ernest Benson, were visiting their grandmother, Mrs. Patrick Kane. They had gone out to play and when they falled to return their mother went in search of them. On approaching the riverbank she saw their caps near a large hole in the ice.

She rushed into the water, but bystanders drew her back, and then themselves went to the rescue, Ernest, unconscious, was quickly drawn from

Political Gossip

It is rumored that Congressman Bryan F. Mahan, in order to settle the Bryan F. Mahan, in order to settle the postmastership controversy in New London, may appoint himself to the place. Having been defeated for congress, Mr. Mahan could settle back in the postmastership very comfortably for the next four years. Why isn't this a tip for our distinguished friend, Jerry Donovan? Perhaps that would be a way out of the difficulty; at least, Jerry would be satisfied, even if the Bridgeport democrats are not.—Bridgeport Telegram.

It is said that former Congressman

It is said that former Congressman Thomas L. Reilly of Meriden is to re-ceive a lucrative position in the government service at the expiration of this present term in congress. Gambling on the Zeppelins.

There seems to be a certain amount of sporting disappointment at the nonof sporting disappointment at the non-appearance of Germany's Zeppelins over the British islands. The feeling seems to be that the incursion would add a mild spice to life without doing us any serious damage. The kind of bomb that a Zeppelin drops appar-ently destroys life over an area of forty or fifty square varie. The forty or fifty square yards. The Zeppelin that was alleged to have attacked Antwerp was credited with a dozen bombs. Supposing the incredible, that Germany has fifty Zeppelins and could send them all across, they would be capable of killing over an area of about six acres.

Over what may be described as the central area of London within which a Torondia might with the control of the torondia might with the torondia be described as the central area of London, within which a Zeppelin might be expected to operate, the chances of escape would be about 1500 to one. If they by some freak concentrated on the Parliamentary borough of Manchester, the chances of escape would be 1300 to one. All this is assuming that fifty Zeppelins came. Five would be a likelier number. On the whole that hity Zeppelins came. Five would be a likelier number. On the whole, the fact that there has been no Zep-pelin scare in England has a rational basis.—Manchester Guardian.

POETRY

There in the Old World the women Heavy their hearts with the weight of their wee!):
Dayod are their eyes for the lack of their Sleepling:
Sunken their cheeks from the hunger they know.

There in the Old World they cry in their anguish,
"Pity us, Sisters, more happy than we!
Malmed are our little ones; now they must languish.
Help! Or they starve as they rest on the knee."

There in the Old World, where strong hearts are bleeding.

Man calls to man in the time of his need.

"You was have bread to spare, hark to the pleading.
Send it, oh, Brothers, our loved onested feed."

Here in the New World we cannot but hear them (Heavy their hearts with the sorrow, they know!). Cannot but pity them, cannot but cheer

them, Cannot but shudder at thought of their woe. Here in the New World what shame if we palter; Turn a deaf car to that cry of de-

spair:

Who has a soul so dead? Worth of
us dare? -Lilli Huger Smith. A CHILD'S PRAYER IN WAR TIME. Lord Jessu, hear my simple prayer,
Which mother bids me say tonight:
Preserve with all Thy loving care
My daddy dear, who's gone to fight
For Good King George across the sea,
And bring him safely back to me.

O, God of mercy, let us rise
Triumphant o'er our cruel foe.
Receive each man who nobly dies,
And comfort every heart of wos.
Lord, guide us to the happy day
When deadly strife has passed aw

God bless my mother, keep her brave And patient through her hours of And patient through her pain;
And Thou, whose grace alone can care,
Bring daddy back to her again,
Look after him, I pray, till then,
For Jesus sake, our Lord, Amen.
